

ONAM *Sadhya*

Onam, they say, is when Kerala wears its golden crown. A time when nature bows down, offering up its bounty. A time when King Mahabali is believed to visit his people. What better way to welcome royalty than with a royal feast? Presenting, Sadhya - a grand culinary spectacle, a traditional Kerala feast comprising an array of local dishes served on a banana leaf.

At **Āb**, we are crafting an experience - a modern interpretation of a timeless tradition, with some delicacies that are best enjoyed in their purest form, and some contemporary surprises. Presenting **Āb**'s Onam Sadhya, with 20+ selections featuring Amuse bouche, an Onam Platter, Matta Rice & Parotta, reimagined Onam Dessert, and Petit Fours - an elevated Sadhya experience, merging the classics with some contemporary. May this **Āb** Sadhya bring you as much joy as it brought us to create it!
