

BAZAAR BITES

Indian street food culture is like a live
cookbook - a chaotic yet comforting showcase
of flavours and experiences, deeply rooted in daily life.

Uniting people from all walks of life, these
bazaars- India's bustling marketplaces, are home
to Khau Gallis, which are food streets where
people gather to eat.

We at **db**, are bringing the sizzle of spices,
the clatter of plates and the comfort of shared
laughter, from India to Dubai.

Presenting - Bazaar Bites, a reimagination of these
street classics with a progressive flair. We've captured
the essence of India's vibrant street food with a touch
of modern innovation. Here's a culinary odyssey that
blends nostalgia with creativity, bringing the magic
of India's street food straight to your table.
