INDIAN BAR & EATERY

Summer Menu

Summer is a season of vibrance - longer days, sunlit shores, and fresh flavours. At **ਐਬ**, we distil this essence into a menu that reimagines the Indian peninsula's coastal cuisine with modern techniques and global ingredients.

Presenting a selection of dishes inspired by India's beaches - Fresh Ceviches, flame-seared Grills, and refreshing Sorbets bring the seaside to your table, while our Summer Cocktails fuse tropical fruits, spices, and floral notes into refreshing pours.

A tasteful tribute to sun, sea, and spice - this is summer, viewed through the lens of **ਐਬ**.
